

# INTERNATIONAL AIRBORNE OPERATIONS

## 2<sup>ND</sup> EUROPEAN BASIC AIRBORNE COURSE 2018

INTERNATIONAL AIRBORNE OPERATIONS® EUROPEAN BASIC AIRBORNE COURSEs continue to be a big success. IAO is running Basic courses in Europe each year to train more beginners in military parachuting on round-canopy parachute systems.

This course enable students and refresh jumpers to participate in our Airborne Operations where we jump with Airborne and Special Forces units using military aircrafts!

### 2<sup>nd</sup> EUROPEAN BASIC AIRBORNE COURSE 2018:

#### Wing program:

An international jump-course with jump-masters from several nations. Experience true participation and exchange of information, experiences and skills and of course .... Airborne Spirit!

We are very pleased and honoured to be able to train and jump with jumpmasters from Czech and Slovakian Republic and USA!

*Czech Airborne*

*Slovakian Army*

*US Airborne*

*US US Navy (to be confirmed)*

**More wings possible!**

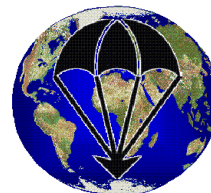

### SITE/JUMP INFORMATION

## Basic Airborne Course:

**Dates:** October, 4<sup>th</sup> 2pm through 7<sup>th</sup> at 5pm 2018

2<sup>nd</sup> EUROPEAN AIRBORNE BASIC COURSEs are open to parachute beginners. You will receive excellent training in the parachute system, jump-ship and the drop-zone. Novices will attend a full day of intensive, practical physical training with particular attention to parachuting exit-position, behavior in the air, manipulation of the parachute, emergency procedures and malfunctions and how to execute safe parachute landing falls.

All beginners will be awarded the Czech Airborne Wings and certification. During the course two of your three jumps may take place with jump-masters from other countries in order to gain other national Airborne Wings. Costs for these wings are additional to the course costs.

### Requirements for participation as student:

Students must present with:

1. A **completed medical certificate** "fit for parachuting" (forms available on request.) \*\*
2. A signed third party **liability waiver** (which will be sent to you as part of your registration pack)
3. A copy of your **health insurance**.

**If you do not present with the completed documentation you cannot jump and you may also forfeit your deposit.**

## Qualified experienced static-line jumper package on MC1-1C/ OVP-68/76A (Q1) or freefall jumpers (Q3):

Limited places will be available to qualified experienced static-line and freefall jumpers.

**Dates:** October, 4<sup>th</sup> 9pm or 5<sup>th</sup> 7am through 7<sup>th</sup> at 5pm 2018

### Requirements for participation as qualified jumper:

Jumpers will be awarded wings appropriate to the respective national jump-master (JM). Additional jumps may be possible but you should be aware that space or time constrictions may restrict or prohibit jumps with JM's that have not been pre-arranged.

### Requirements for participation as qualified jumper:

Experience static-line jumpers must present with:

1. A **completed medical certificate** "fit for parachuting" (forms available on request.) \*\*
2. A signed third party **liability waiver** (which will be sent to you as part of your registration pack)
3. A copy of your **health insurance**.
4. An Airborne training certificate or parachute logbook with appropriate entries to evidence:
  - a. A minimum number of 5 jumps with round-canopy parachute system

# INTERNATIONAL AIRBORNE OPERATIONS

- b. At least 1 jump on a steerable round canopy parachute system during the last 3 years.

Freefall jumpers must present in addition with:

1. International valid FF license, i.e > FAI A license, USPA, BPA, DFV or equal
2. An evidenced minimum number of 25 freefall jumps
3. At least 5 evidenced jumps during the last 12 months

**If you do not present with the completed documentation you cannot jump and you may also forfeit your deposit.**

\*\* It is only possible to complete a medical assessment on site if there are 3 x or more participants with this requirement. An assessment cannot be guaranteed and would cost an addition – possibly high - fee so please ensure that you have this documentation in advance.

## Essential equipment list for ALL jumpers:

1. Boots suitable for parachuting. Full ankle support is necessary and no training shoes are permitted for military static line jumps.
2. Uniform:
  - a. Either correct current uniform of the jumpers national armed forces, a green or black jump-suit or
  - b. Suitable outdoor clothing of a rip-stop type material Tiger-stripe uniform
3. National jump-helmet or black Protec helmet (or similar), helmets can used but can also be loaned by the DZ. Freefall qualified jumpers may wear also suitable helmets or cups.
4. For the ceremony; national headgear of the jumpers branch
