## ASIAN AIRBORNE BASIC COURSE 2018

Our Airborne Basic Courses in the US and in Europe have been a big success again since many years. Since 2013 we have been running Airborne Basic Courses in the Asian/ Pacific region.

INTERNATIONAL AIRBORNE OPERATIONS® will run its annual Airborne Basic Course in Asia to train local beginners in military parachuting on round-canopy parachute systems in June 2016.

**Asian Airborne Basic Course 2018 will be conducted at an official Airborne School with NATO standard with military aircrafts!**

**Term: April, 29<sup>th</sup> through May, 8<sup>th</sup> 2018**

The training will be conducted for the 4<sup>th</sup> time by the **Royal Thai Air Force Parachute Training Centre** in **Bangkok/ Thailand**. The parachute training program at the Airborne School of the Royal Thai Air Force in Bangkok will enable novices to join the qualification jumps.

The training will be conducted by military instructors at Airborne School following relevant NATO standards. Appropriate equipment like a 30feet jump tower, mock planes, harness and a PLF trainer will be used in order to train participants to jump safely from an aircraft.

**Host unit for the jumps is the famous Royal Cambodian Special Forces 911 Airborne Brigade!**

INTERNATIONAL AIRBORNE OPERATIONS® will be present with 2 own instructors, 1 current NATO jumpmaster.

Three jumps by static-line (MC1) from helicopter Mi-17 are scheduled. Besides the jumps, more military-training like shooting and rappelling will familiarise participants with the skills and procedures of our host-units.

**Royal Cambodian  
Special Forces 911 Brigade**

This course will become an international jump-course with jump-master teams at least 2 nations! ASIAN AIRBORNE BASIC COURSE 2018 will become a true exchange of Airborne experience and skills and of course Airborne Spirit!
