

## EUROPEAN MILITARY FREEFALL COURSE 2019

Same in the years before we offer again a military freefall course in June/ July 2019. We focus on the freefall training and military aspects of freefall jumps!

### European Military Freefall Course 2019:

INTERNATIONAL AIRBORNE OPERATIONS® will run the European Military Freefall Course 2019 within the term June, 17th through July, 3rd 2019!

During this course we train novices to become Military Freefall Jumpers!

#### **Program:**

##### **Part 1: Basic Freefall training:**

The course starts with theoretical training in class-room and practical training on square parachute in harness and exit positions, male functions.

##### **Part 2 Wind Tunnel:**

To get the new freefall jumper stable in the air we take every jumper for 10min in the wind-tunnel.

##### **Part 3 AFF Training:**

The wind-tunnel training is followed by the AFF Training to Solo Status. By the wind-tunnel training we also minimize the levels which have to be repeated. AFF: Accelerated Freefall, more information find [here](#).

##### **Part 4 Jumps to accomplish an international licence:**

The student jumps the necessary more jumps and pass the exam for the USPA A License or the FAI A License. In total 25 jumps are necessary and an exam in theory and praxis.

##### **Part 5 Military Freefall Jumps:**

After the jumper passed exams for the license he is trained in the mission oriented aspects of a military freefall jumps – he will learn how to jump with equipment bag and rifle and how to fly in formation to land on small drop-zones to be ready to his mission on the ground.
