

Airborne Operations in Eastern Europe have a long tradition in our organisation, where we trained with many different Special Forces and Airborne units, in May 2018 we return! Hosting jumpmasters from exotic and famous nations has a big tradition during our Op Eagles. Within the last 16years we hosted jumpmasters from Mongolia, South Korea, Japan, Taiwan, Russia, Ukraine, USA, Slovakia, Portugal, Israel, Oman, Chile, Estonia, Latvia, Nepal, Great Britain, Turkey, Thailand and Argentina.

We promise you that our next Op Eagle will be a high-light of the Airborne Operations around the world in 2018!

Operation Eagle 2018:

INTERNATIONAL AIRBORNE OPERATIONS will run the next operation in this region as “Operation Eagle 2018” within the term May, 17th through 20th 2018!

Czech Airborne wings will be awarded again!

Czech Airborne

- Drop-zone: Airfield close to Pribram/ Czech Republic
- Number of jumps: - 3 by static-line for participants in the Basic Airborne Course
- requested number of jumps by the experienced S/L or freefall jumper
- Jump-ships: - Bi plane AN-2 (NATO Code Colt) or LET 410
- Briefings: - English language by our Czech instructors and participating jump-masters
- Parachute system: US MC1-1C (steer-able military-round-canopy system) and
Czech OVP-68/76A (steer-able military-round-canopy system)
Or your own freefall rig. Rigs for rent are available in limited numbers
- Altitude: - Round-canopy systems: Approx. 600m
- Freefall: 1200 to 4000m

Basic Airborne Course:

Dates: May, 17th at 2pm through 20th 2018 at 5pm

Operation Eagle 2018 is open to a limited number of parachute beginners. You will receive excellent training in the parachute system, jump-ship and the drop-zone. Novices will attend a full day of intensive, practical physical training with particular attention to parachuting exit-position, behavior in the air, manipulation of the parachute, emergency procedures and malfunctions and how to execute safe parachute landing falls, rigging the parachute under instruction and control of professional riggers.

All beginners will be awarded the Czech Airborne Wings and certification. During the course two of your three jumps may take place with jump-masters from other countries in order to gain other national Airborne Wings. Costs for these wings are additional to the course costs.

Requirements for participation as student:

INTERNATIONAL AIRBORNE OPERATIONS

Students must present with:

1. A **completed medical certificate** “fit for parachuting” (forms available on request.) **
2. A signed third party **liability waiver** (which will be sent to you as part of your registration pack)
3. A copy of your **health insurance**.

If you do not present with the completed documentation you cannot jump and you may also forfeit your deposit.

Qualified experienced static-line jumper package on MC1-1C/ OVP-68/76A (Q1) or freefall jumpers (Q3):

All places will be available to qualified experienced static-line and freefall jumpers.

Dates: May, 17th evening through 20th 2018 at 5pm

Jumpers will be awarded wings appropriate to the respective national jump-master (JM). Additional jumps may be possible but you should be aware that space or time constrictions may restrict or prohibit jumps with JM's that have not been pre-arranged.

Requirements for participation as qualified jumper:

Experience static-line jumpers must present with:

1. A **completed medical certificate** “fit for parachuting” (forms available on request.) **
2. A signed third party **liability waiver** (which will be sent to you as part of your registration pack)
3. A copy of your **health insurance**.
4. An Airborne training certificate or parachute logbook with appropriate entries to evidence:
 - a. A minimum number of 3 jumps with round-canopy parachute system
 - b. At least 1 jump on a steerable round canopy parachute system during the last 3 years.
