

Airborne Operations in Eastern Europe have a long tradition in our organisation, where we trained with many different Special Forces and Airborne units, in April 2020 we return!

Hosting jumpmasters from exotic and famous nations has a big tradition during our Op Eagles. Within the last 18 years we hosted jumpmasters from Mongolia, South Korea, Japan, Taiwan, Russia, Ukraine, USA, Slovakia, Portugal, Israel, Oman, Chile, Estonia, Latvia, Nepal, Great Britain, Turkey, Thailand, Argentina, Slovenia and Bolivia.

We promise you that our next Op Eagle will be a high-light of the Airborne Operations around the world in 2020!

Operation Eagle 2020:

INTERNATIONAL AIRBORNE OPERATIONS will run the next operation in this region as “**Operation Eagle 2020**” within the term April, 29st through May, 3rd 2020!

Czech Airborne wings will be awarded again!

Czech Airborne

We are very pleased and honoured to be able to train and jump with jumpmasters from the US Army and/ or Navy who also will, award the famous US HALO Wings to qualified freefall jumpers:

US Army Basic

US Navy (tbc)

US HALO (tbc)

As special guest we'll host a jump-master from **Australia** (tbc). Australian Airborne Wings with certificate will be awarded:

Other wings available:

Static-Line

Freefall

Slovakian Army:

Israeli parachute wings may be awarded by an authorized instructor:

Basic Parachute Wings

New Freefall Badge (tbc)

More jump-masters have been invited already and will be posted as soon their participation will have been confirmed!

Note: INTERNATIONAL AIRBORNE OPERATIONS® jump for national military wings only. No “mickey mouse wings” from any clubs or associations available!

SITE/JUMP INFORMATION

Operation Eagle 2020 is open to all novices in parachuting, experienced military static-line jumpers and freefall qualified personnel in military parachuting.

- Drop-zone: Airfield Pribram in Czech Republic
- Number of jumps: - 3 by static-line for participants in the Basic Airborne Course
- requested number of jumps by the experienced S/L or freefall jumper
- Jump-ships: - Bi plane AN-2 (NATO Code Colt)
- Briefings: - English language by our Czech instructors and participating jump-masters
- Parachute system: US MC1-1C (steer-able military-round-canopy system) and
Czech OVP-68/76A (steer-able military-round-canopy system)
Mars 300 (square canopy system)
Or your own freefall rig. Rigs for rent are available in limited numbers

Altitude:	- Round-canopy systems:	Approx. 600m
	- Square canopy:	Approx. 1000m
	- Freefall:	1000 - 2000m (from AN-2)

Basic Airborne Courses:

Square parachute opened by static-line (internal Qualification 2)

Dates: April, 29st at 4pm through May, 3rd 2020 at 5pm

Round canopy parachute opened by static-line (internal Qualification 2)

Dates: April, 30th at 12pm through May, 3rd 2020 at 5pm

Operation Eagle 2020 is open to a limited number of parachute beginners. You will receive excellent training in the parachute system, jump-ship and the drop-zone. Novices will attend a full day of intensive, practical physical training with particular attention to parachuting exit-position, behavior in the air, manipulation of the parachute, emergency procedures and malfunctions and how to execute safe parachute landing falls.

All beginners will be awarded the Czech Airborne Wings and certification. During the course two of your three jumps may take place with jump-masters from other countries in order to gain other national Airborne Wings. Costs for these wings are additional to the course costs.

Requirements for participation as student:

Students must present with:

1. A **completed medical certificate** "fit for parachuting" (forms available on request.) **
2. A signed third party **liability waiver** (which will be sent to you as part of your registration pack)
3. A copy of your **health insurance**.

If you do not present with the completed documentation you cannot jump and you may also forfeit your deposit.

Qualified experienced static-line jumper package on MC1-1C/ OVP-68/76A (Q1) or freefall jumpers (Q3):

All places will be available to qualified experienced static-line and freefall jumpers.

Dates: April, 30th evening through May, 3rd 2020 at 5pm
You also may arrive later on May, 4th or 5th morning!

Jumpers will be awarded wings appropriate to the respective national jump-master (JM). Additional jumps may be possible but you should be aware that space or time constrictions may restrict or prohibit jumps with JM's that have not been pre-arranged.

Requirements for participation as qualified jumper:

INTERNATIONAL AIRBORNE OPERATIONS®
