

INTERNATIONAL AIRBORNE OPERATIONS

OPERATION PHARAOH 2019

INTERNATIONAL AIRBORNE OPERATIONS® got the honor to execute an **Operation Pharaoh 2019** in Egypt including freefall jumps over the famous Pyramids of Giza.

Note: We're working on Operation Pharaoh 2020 including static-line jumps in February 2020!

Further on will provided an interesting cultural program at the highest nation of the world. Spectators, spouses and friends are welcome!

Term: November, 26th through December, 2nd 2019 – jump program only
In advance or afterwards - sight-seeing and cultural program

Details for the jump:

Number of jumps: 5
- 3 from C-130 Hercules
- 2 from MI-17 helicopter

Parachute system: Own current rig inclusive ADD
Altitude: 9,000-12,000 ft.

We have riggers and packers onsite if you needed, also photographers.

Wing program:

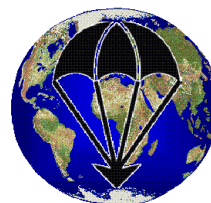

Egyptian Airborne wings with certificate will be awarded to military and police personnel only. This means active, reserve and retired military and police personnel:

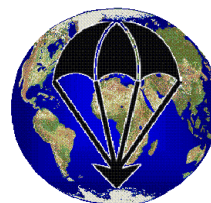

Requirements for participating in the jump:

Freefall jumper: - International valid FF license, i.e > FAI A license, USPA, BPA, DFV or equal
- An evidenced minimum number of 25 freefall jumps
- Third party (liability) insurance and foreign health insurance
- Your own rig including ADD
